

## Society of Hispanic Professional Engineers

Dear Partners and Supporters,

On behalf of the Society of Hispanic Professional Engineers (SHPE) Dallas-Fort Worth Professional Chapter, we are pleased to announce the **2<sup>nd</sup> Annual Gala on Monday, May 20<sup>th</sup>, 2019** at Abacus Restaurant in Dallas, TX in benefit of our DFW ScholarSHPE Fund. We extend this as an invite to join us as a Gala Sponsor on this special night which recognizes the chapter's achievements and honors our scholarship recipients.

SHPE is a national 501c3 non-profit organization dedicated to increasing the participation of Hispanic college students and professionals in the fields of science, technology, engineering and mathematics (STEM). As the largest Hispanic academic organization in the country, SHPE works at both the national and local levels to encourage members to achieve academic excellence, professional development, and career advancement. We engage youth through various STEM outreach events in K-12 schools throughout DFW, Noche de Ciencias ("Science Night") events, and our SHPE Jr. High school chapters. In addition to providing an outlet to volunteer, the chapter hosts workshops pertaining to career guidance, professional/technical development and leadership opportunities to its professional members. SHPE DFW partners with several districts and organizations to continue making resources available to the Dallas-Fort Worth community.

The proceeds raised for the ScholarSHPE Fund will directly impact the lives of Hispanic students pursuing STEM degrees at local DFW universities and colleges. The enclosed materials provide information regarding our gala sponsorship levels. All donations will be recognized in our event program, social media platforms and website [www.shpedfw.org](http://www.shpedfw.org), and are tax deductible to the full extent provided by law (Federal Tax ID 30-0501232).

We look forward to creating a lasting partnership that shapes our community for years to come. Please do not hesitate to contact [president@shpe-dfw.org](mailto:president@shpe-dfw.org) with any questions.

Thank you for your time and consideration.
